OBJECTIVE

My career has revolved around as an ios developer at ebPearls Pvt. Ltd. In the past two years I have also developed strong team work skills and interpersonal expertise that will be invaluable to my future employer. I make it my goal to create ios applications with the user in mind, and with a useable and intuitive user interface experience. I also understand the importance of creating highly readable and easily maintainable source code. I am constantly striving to learn new technologies and look to ways to better myself in this rapidly changing industry.
