OBJECTIVE

My career has revolved around as an ios developer for two and half years at ebPearls Pvt. Ltd and then currently six months at Insight Workshop. In the past three years, I have developed strong team work skills and interpersonal expertise that has helped me add value to my employer. I make it my goal to create mobile applications with the user in mind, and with a useable and intuitive user interface experience. I also understand the importance of creating highly readable and easily maintainable source code. I am constantly striving to learn new technologies and look to ways to better myself in this rapidly changing industry.
